Part II, Line 14

The organizational action addressed by this Form 8937 response relates specifically to the senior secured note exchange discussed below.

On May 12, 2021, Boart Longyear Limited (“**BLY**”) and its direct and indirect subsidiaries (collectively, the “**BLY Group**”) reached an agreement with the holders of a majority of the BLY Group's outstanding indebtedness to *inter alia* issue new BLY equity in exchange for various BLY Group external indebtedness, in accordance with the terms set forth in that certain Restructuring Support Agreement, dated May 12, 2021, by and among BLY, certain of its subsidiaries and the other parties thereto (the “**RSA**” and the transactions contemplated by the RSA and as subsequently effectuated, the “**Restructuring**”).

BLY is an entity legally domiciled in Australia with subsidiaries located in many countries including Canada and the United States. The BLY Group indebtedness to be equitized included (i) the Term Loan A due 2022 issued by BL Capital Management LLC (the “**Term Loan A**”), (ii) the Term Loan B due 2022 by BL Capital Management LLC (the “**Term Loan B**” and together with the Term Loan A, the “**Term Loans**”), (iii) the 12.00%/10.00% Senior Secured PIK Toggle Notes due 2022 issued by Boart Longyear Management Pty Limited (the “**SSNs**”), and (iv) the 1.50% Subordinated PIK Notes due 2022 issued by Boart Longyear Management Pty Limited (the “**SUNs**”).

The RSA provided that the Restructuring would be implemented in part through two creditor schemes of arrangement as described under relevant Australian law and approved by an Australian court. Two such proposed schemes of arrangement (together, the “**Schemes**”) were filed and were subsequently approved by an Australian court on September 16, 2021.

In connection with the Restructuring, the following recapitalization transactions occurred (the “**Recapitalization Transactions**”):

1. On September 22, 2021, the outstanding BLY ordinary shares, options, and warrants were subject to 20 for 1 consolidation in which every 20 BLY ordinary shares were converted into 1 BLY ordinary share, every 20 BLY options were converted into 1 BLY option and every 20 BLY

warrants were converted into 1 BLY warrant, in each case, rounded up to the nearest whole number of shares in the case of any entitlement to fractional shares, options, or warrants, as applicable (the “**Share Consolidation**”).

2. On September 23, 2021, in exchange for the Term Loans, the holders of the Term Loans received newly issued ordinary shares of BLY.
3. On September 23, 2021, in exchange for the SSNs, the holders of the SSNs received newly issued ordinary shares of BLY.
4. On September 23, 2021, in exchange for the SUNs, the holders of the SUNs received (i) newly issued ordinary shares of BLY and (ii) warrants exercisable for additional ordinary shares of BLY.
5. BLY issued new ordinary shares to the extent provided by the “Share Purchase Plan,” which offered certain existing shareholders of BLY the ability to acquire additional ordinary shares of BLY for cash.
6. BLY repurchased certain of its outstanding ordinary shares to the extent provided by the “Selective Buy-Back” plan, which offered certain existing shareholders the right to have BLY retire some or all of their ordinary shares.

Following the Recapitalization Transactions, on October 5, 2021, and pursuant to a separate vote of the BLY shareholders, the stock and warrants of BLY, including those received in the Recapitalization Transactions, were exchanged for stock and warrants, respectively, of a newly formed Canadian holding corporation, Boart Longyear Group Ltd. (“**New BLY**” and such transaction, the “**Redomicile Transaction**”).

Part II, Line 15

To the extent that the SSNs constitute “securities” for purposes of the tax-free reorganization rules (“**Tax Securities**”), the exchange of interests in the SSNs for new BLY shares would be expected to be treated as a tax-free exchange under IRC Section 368(a) in which a holder’s aggregate tax basis in the new BLY shares received (other than any amounts treated as received in satisfaction of accrued interest) would generally be equal to such holder’s aggregate tax basis in the SSNs surrendered. In addition, subject to the receipt of any BLY shares attributable to accrued interest, a US holder of SSNs would generally not recognize gain or loss in the exchange.

If the SSNs are not Tax Securities, each US holder generally will recognize gain or loss upon the receipt of new BLY shares under IRC Section 1001 in an amount equal to the difference between the fair market value of the new BLY shares received (other than any amounts treated as received in satisfaction of accrued interest) and the US holder’s tax basis in the SSNs surrendered.

The holders of the SSNs (the “**Holders**”) should consult their tax advisors as to the particular US tax consequences to them as a result of the exchange of the SSNs for BLY shares.

Part II, Line 16

To the extent that the SSNs constitute Tax Securities, the exchange of interests in the SSNs for new BLY shares would be expected to result in a tax-free exchange in which the Holder’s basis in the new BLY shares (other than any amounts treated as received in satisfaction of accrued interest) would generally be equal to the Holder’s aggregate tax basis in its interests in the SSNs exchanged.

To the extent that the SSNs do not constitute Tax Securities, each Holder will recognize gain or loss upon the receipt of new BLY shares in an amount equal to the difference between the fair market value of the new BLY shares received (other than any amounts treated as received in satisfaction of accrued interest) and the U.S. holder's tax basis in the SSNs surrendered.

Part II, Line 17

IRC Sections 354, 358, 368, 1001, and 1012.

Part II, Line 18

The exchange of SSNs for BLY shares generally should not result in a recognizable loss to the Holders to the extent that the SSNs constitute Tax Securities. To the extent that the SSNs do not constitute Tax Securities, the exchange of SSNs for BLY shares may result in a recognizable loss to a Holder to the extent such Holder's tax basis in the SSNs exceeds the fair market value of the new BLY shares received.

Part II, Line 19

The adjustment to basis would be recognized in the tax year during which the effective date of the transaction occurred: September 23, 2021. The reportable tax year for each Holder is the Holder's tax year that includes December 31, 2021 (2021 for a calendar year taxpayer).
