

ASX ANNOUNCEMENT (ASX:BLY)

9 February 2022

**BOART LONGYEAR APPOINTS GIOVANNA BEE MOSCOSO
AS CHIEF LEGAL OFFICER**

Boart Longyear Group Ltd (ASX:BLY) (the Company or Boart Longyear) announces the appointment of Mrs. Giovanna Bee Moscoso as Chief Legal Officer effective 28 February 2022. Mrs. Bee Moscoso brings an abundance of legal and mining industry experience to the Company.

Boart Longyear Chief Executive Officer Jeff Olsen said, “We are delighted to name Giovanna as our Chief Legal Officer. She brings a wealth of experience as an in-house lawyer having spent more than 20 years with Barrick Gold. I look forward to working with Giovanna as we progress our long-term growth and ESG programmes.”

Since 2019, Giovanna has been a legal consultant to the mining industry where she focused on permitting, compliance, due diligence, and land management. From 1994 to 2019, Giovanna held progressive responsibilities at Barrick Gold, including Partner, Vice President, and Assistant General Counsel, in Peru, Chile, Argentina, Salt Lake City, and Toronto. Her scope of responsibilities encompassed managing legal, regulatory, permitting, and contractual matters for various mines in the Americas. Giovanna’s roles have also included coordinating government and public relations and developing social outreach and human rights programmes with stakeholders, including indigenous communities and private landowners.

Giovanna is currently Chairwoman of the Board of Calipuy Resources Inc. and Independent Director and Chair of the Governance, Social and Environmental Committee of the Board of Palladium One Mining Inc.

Giovanna holds a Doctor of Law – JD from the University of Lima and a Masters of Law – LL.M from Duke University.

Authorised for lodgement by:

Jeffrey Olsen, President and Chief Executive Office

About Boart Longyear

Established in 1890, Boart Longyear is in its 132nd year as the world’s leading provider of drilling services, orebody-data-collection technology, and innovative, safe and productivity-driven drilling equipment. With its main focus in mining and exploration activities spanning a wide range of commodities, including copper, gold, nickel, zinc, uranium, and other metals and minerals, the company also holds a substantial presence in the energy, oil sands exploration, and environmental sectors.

ASX ANNOUNCEMENT (ASX:BLY)

The Global Drilling Services division operates for a diverse mining customer base with drilling methods including diamond coring exploration, reverse circulation, large diameter rotary, mine dewatering, water supply drilling, pump services, production, and sonic drilling services.

The Geological Data Services division utilises innovative scanning technology and down-hole instrumentation tools to capture detailed geological data from drilled core and chip samples. This valuable orebody knowledge gives mining companies the ability to make timely decisions for more efficient exploration activities.

The Global Products division offers sophisticated research and development and holds hundreds of patented designs to manufacture, market, and service reliable drill rigs, innovative drill string products, rugged performance tooling, durable drilling consumables, and quality parts for customers worldwide.

Boart Longyear is headquartered in Salt Lake City, Utah, USA, and listed on the Australian Securities Exchange in Sydney, Australia (ASX:BLY).
